Law Department, Bangalore

Re Construction of a Town Hall building at Chikkanaikanahalli

With reference to our letter No L 4 3 dated 14-7-44 on the above subject I have the honor to forward herewith, in original the corrected records received from the President, Town Municipal Council Chikkanaikanahalli and to state as follows -

Government in their Order No P W 1523-30 dated 20-8-1943 were pleased to sanction the estimate for Rs 8430/- towards the construction of a Town Hall building at the place and half the cost of the estimate was given as grant The Public Works Department was entrusted with the execution of the work The Department has now sent a revised estimate for Rs 16 800/- since no tenders were received from the contractors to take up the work as per original estimate The Municipal Council to whom the revised estimate was sent for consideration for meeting excess cost of the sanctioned estimate viz Rs 5 730/- have stated that they are unable to meet the excess over the sanctioned estimate and that this extra amount may be given as grant by Government

As Government had already given a grant of Rs 4,215/- in this behalf the corrected records were returned to the President with the observation that the excess over the sanctioned estimate was rather heavy and Government may not be inclined to give an additional grant of Rs 5,730/- as proposed by the Council and that as the finances of the Municipality did not permit this expenditure being incurred the Municipal Council may consider the desirability of putting off the work until after the War

The question was examined by the Council at their meeting held on 30-4-44 wherein they have resolved that the work be deferred until after the War and that sanction of Government be obtained to withdraw the municipal quota of Rs 2,215/- credited to 17(a) P Deposits for utilising the same for the sinking of a bore-well at the place

I request that sanction of Government may kindly be obtained to the resolution of the Council and permission accorded to the withdrawal of the quota of Rs 2215/- for being utilised for sinking a bore-well

The extract of the petition received with your letter referred to above is also returned herewith

I have the honor to be
Sir,
Your most obedient servant,

N MacDonald
